

## Advisor Select

In Advisor Select, the representative acts as portfolio manager.\* Advisor Select wraps various investment vehicles, client-oriented services and an asset management fee into one investment account. Working with your financial advisor, you'll have access to a wide variety of investment options, including exchange and NASDAQ equities, fixed income, mutual funds, Exchange Traded Funds (ETFs),\*\* American Depositary Receipts (ADRs), Real Estate Investment Trusts (REITs) and Unit Investment Trusts (UITs).

Access to this range of products gives you a great deal of flexibility and allows you to customize your portfolio according to your own risk tolerance, determined through conversations with your advisor.

This will enable you and your advisor to build, monitor and adjust your Advisor Select account, all for one asset management fee.<sup>§</sup>
